## SUMMARY

Project Manager with almost 5 years of experience leading enterprise software implementations, Professional Services engagements, and PMO/RMO governance. Skilled in end-to-end delivery, integrations, stakeholder management, and cross-functional team leadership.

## WORK EXPERIENCE

**Project Management Consultant** **Apr 2026 - Present**
*Deloitte USI* *Bengaluru, India*

- Own PMO governance for a Human Capital engagement, leading stakeholder meetings, decisions, actions, and milestones.
- Maintain project plans, RAID logs, and weekly status reports; escalate risks, delays, dependencies, and delivery gaps.
- Drive resource planning, staffing demand, and onboarding/offboarding with resource managers and recruiters.
- Build Smartsheet workflows, formulas, and alerts to streamline follow-ups, handoffs, and reporting.
- Prepare WSRs, QBRs, governance reviews, and leadership decks; standardize PMO templates and documentation.

**Project Manager** **Apr 2025 - Apr 2026**
*Info Edge (India) Limited* *Bengaluru, India*

- Led a team across 12+ concurrent enterprise implementations, managing timelines, costs, risks, and client expectations.
- Partnered with Sales and clients on presales, solutioning, effort estimates, scope definition, and implementation planning.
- Established a PMO with governance frameworks and tooling that reduced average implementation timelines by 50%.

**Senior Project Lead** **Apr 2024 - Mar 2025**
*Info Edge (India) Limited* *Bengaluru, India*

- Delivered 8+ large-scale SaaS implementations, ensuring scope control, milestone tracking, and client readiness.
- Analyzed post-launch usage trends to improve enablement flows and drive a 15% increase in active platform adoption.
- Created rollout trackers and standardized documentation to reduce onboarding effort and enable team handovers.

**Project Lead** **Apr 2023 - Mar 2024**
*Info Edge (India) Limited* *Bengaluru, India*

- Handled 6+ client implementations covering configuration, third-party integrations, and hiring workflow enablement.
- Drove execution across timelines, risk management, UATs, and stakeholder coordination for simultaneous rollouts.

**Senior Executive, Customer Experience & Product Specialist** **Nov 2021 - Mar 2023**
*Info Edge (India) Limited* *Bengaluru, India*

- Owned platform configuration for 11+ enterprise clients based on their hiring workflows and operational processes.
- Led UATs, platform training, and go-live planning; reduced post-launch support load by 20%.

## POSITIONS OF RESPONSIBILITY

**Global Operations Specialist - AMER, 180 Degrees Consulting** **Aug 2020 - Jul 2023**
*Sydney, Australia (Remote)*

- Implemented ops strategies (Townhalls, Newsletters, Project 180) across 150+ branches, improving collaboration by 14%.

**Co-Founder & General Secretary, 180 Degrees Consulting DRC** **Jul 2019 - Jul 2020**
*Delhi, India*

- Founded & scaled the all-women DRC chapter, leading 45+ consultants; delivered 8 projects with 9+/10 client satisfaction.
